

Laminin α-2 rabbit pAb

Cat#: orb768949 (Manual)

For research use only. Not intended for diagnostic use.

Product Name Laminin α-2 rabbit pAb

Host species Rabbit

Applications IHC;IF;ELISA

Species Cross-Reactivity Human; Mouse

Recommended dilutions Immunohistochemistry: 1/100 - 1/300. Immunofluorescence: 1/200 - 1/1000.

ELISA: 1/20000. Not yet tested in other applications.

Immunogen The antiserum was produced against synthesized peptide derived from

human LAMA2. AA range:2011-2060

Specificity Laminin α -2 Polyclonal Antibody detects endogenous levels of Laminin α -2

protein.

Formulation Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium

azide..

Storage Store at -20°C. Avoid repeated freeze-thaw cycles.

Protein Name Laminin subunit alpha-2

Gene Name LAMA2

Cellular localization Secreted, extracellular space, extracellular matrix, basement membrane.

Major component.

Purification The antibody was affinity-purified from rabbit antiserum by affinity-

chromatography using epitope-specific immunogen.

Clonality Polyclonal

Concentration 1 mg/ml

Observed band

Human Gene ID 3908

Human Swiss-Prot Number P24043

Alternative Names LAMA2; LAMM; Laminin subunit alpha-2; Laminin M chain; Laminin-12

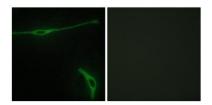

subunit alpha; Laminin-2 subunit alpha; Laminin-4 subunit alpha; Merosin

heavy chain

Background Laminin, an extracellular protein, is a major component of the basement

membrane. It is thought to mediate the attachment, migration, and organization of cells into tissues during embryonic development by interacting with other extracellular matrix components. It is composed of three subunits, alpha, beta, and gamma, which are bound to each other by disulfide bonds into a cross-shaped molecule. This gene encodes the alpha 2 chain, which constitutes one of the subunits of laminin 2 (merosin) and laminin 4 (s-merosin). Mutations in this gene have been identified as the cause of congenital merosin-deficient muscular dystrophy. Two transcript variants encoding different proteins have been found for this gene.
