

## Product Datasheet

### IKK Alpha + IKK beta Rabbit Polyclonal Antibody (Cy5) (orb1011808)

|                            |                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------|
| <b>Description</b>         | IKK Alpha + IKK beta Rabbit Polyclonal Antibody (Cy5)                                  |
| <b>Species/Host</b>        | Rabbit                                                                                 |
| <b>Reactivity</b>          | Human, Mouse                                                                           |
| <b>Conjugation</b>         | Cy5                                                                                    |
| <b>Tested Applications</b> | IF                                                                                     |
| <b>Immunogen</b>           | KLH conjugated synthetic peptide derived from human IKK Alpha/IKK beta (151-250/756aa) |
| <b>Target</b>              | CHUK                                                                                   |
| <b>Preservatives</b>       | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                 |
| <b>Concentration</b>       | 1mg/ml                                                                                 |
| <b>Storage</b>             | Shipped at 4°C. Store at -20°C for one year. Avoid repeated freeze/thaw cycles.        |
| <b>Note</b>                | For research use only                                                                  |
| <b>Isotype</b>             | IgG                                                                                    |
| <b>Clonality</b>           | Polyclonal                                                                             |
| <b>Dilution Range</b>      | IF=1:100-500                                                                           |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                        |
