

## Product Datasheet

### S Antibody, Biotin conjugated (orb1095822)

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| <b>Description</b>         | S Antibody, Biotin conjugated                                          |
| <b>Species/Host</b>        | Rabbit                                                                 |
| <b>Reactivity</b>          | Virus                                                                  |
| <b>Conjugation</b>         | Biotin                                                                 |
| <b>Tested Applications</b> | ELISA                                                                  |
| <b>Immunogen</b>           | Recombinant Human Novel Coronavirus Spike glycoprotein (S) (319-541aa) |
| <b>Target</b>              | S                                                                      |
| <b>Preservatives</b>       | Preservative: 0.03% Proclin 300.<br>Constituents: 50% Glycerol         |
| <b>Form/Appearance</b>     | Liquid                                                                 |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C.<br>Avoid repeated freeze.       |
| <b>Note</b>                | For research use only                                                  |
| <b>Isotype</b>             | IgG                                                                    |
| <b>Clonality</b>           | Polyclonal                                                             |
| <b>Uniprot ID</b>          | <a href="#">P0DTC2</a>                                                 |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                        |
