

Product Datasheet

Recombinant Mouse beta-NGF/ β -NGF Protein (orb1550832)

Description	Recombinant Mouse beta-NGF/ β -NGF Protein
Species/Host	E. coli
Reactivity	Mouse
Endotoxins	< 1 EU/ug by LAL method.
Target	betaNGF
Note	For research use only
Purity	> 95% by SDS-PAGE.
Source	KMP1657, Recombinant Mouse beta-NGF/ β -NGF Protein is produced by E. coli expression system. The target protein is expressed with sequence (Ser122-Gly241) of mouse beta-NGF/ β -NGF (Accession #P01139).
Expiration Date	6 months from date of receipt.
