

Product Datasheet

qPCR ProbesMaster UNG (orb1733685)

Description	qPCR ProbesMaster UNG is designed for quantitative real-time analysis of DNA samples using DNA probe...
Form/Appearance	liquid
Concentration	2x conc
Storage	store at -20 °C. avoid freeze/thaw cycles. Storage at 4 °C for up to 3 months possible
Note	For research use only
Expiration Date	12 months from date of receipt.
