

## Product Datasheet

### AMG 853(AMG853;Vidupiprant) (orb180880)

|                        |                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | AMG 853 is novel a CRTH2 and DP Dual Antagonist.                                                                                |
| <b>Note</b>            | For research use only                                                                                                           |
| <b>Formula</b>         | C <sub>42</sub> H <sub>44</sub> BF <sub>4</sub> N <sub>3</sub> O <sub>4</sub>                                                   |
| <b>MW</b>              | 741.63                                                                                                                          |
| <b>CAS Number</b>      | [1169483-24-2]                                                                                                                  |
| <b>SMILES</b>          | <chem>CC(C1=C2C(C=CC=C2)=CC=C1N/3C)(C)C3=C/C=C/C4=[N+](CCCCC(ON(C(CC5)=O)C5=O)=O)C6=CC=C7C(C=CC=C7)=C6C4(C)C.FB(F)F.[F-]</chem> |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                                                 |
