

Product Datasheet

C12-4 (Lipid A4,Lipid A-4) (orb1818901)

| | |
|------------------------|---|
| Description | Lipid A4 (C12-4) is a branched-chain ionizable cationic lipidoid that has been used in the formation... |
| Note | For research use only |
| Formula | $C_{74}H_{153}N_5O_7$ |
| MW | 1225.04 |
| CAS Number | [2639634-71-0] |
| Expiration Date | 12 months from date of receipt. |

Chemical structure of orb1818901
