

Product Datasheet

IL-13Ra1 Protein, Human, Recombinant (hFc) (orb1960612)

Description	Two type 1 membrane proteins belonging to the hemopoietin receptor family have been cloned and shown...
Storage	-20°C
Tag	C-hFc
Note	For research use only
MW	63.4 kDa (predicted). Due to glycosylation, the protein migrates to 78-90 kDa based on Tris-Bis PAGE result.
Expiration Date	6 months from date of receipt.
