

Product Datasheet

IL-13Ra2 Protein, Human, Recombinant (hFc) (orb1960641)

Description	Two type 1 membrane proteins belonging to the hemopoietin receptor family have been cloned and shown...
Storage	-20°C
Tag	C-hFc
Note	For research use only
MW	63.7 kDa (predicted). Due to glycosylation, the protein migrates to 65-70 kDa based on Tris-Bis PAGE result.
Expiration Date	6 months from date of receipt.
