

## Product Datasheet

### Phospho-PAK1 (Ser144) + PAK3 (Ser154) Rabbit Polyclonal Antibody (PerCP-Cy7) (orb2499045)

|                            |                                                                                                                       |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Phospho-PAK1 (Ser144) + PAK3 (Ser154) Rabbit Polyclonal Antibody (PerCP-Cy7)                                          |
| <b>Species/Host</b>        | Rabbit                                                                                                                |
| <b>Reactivity</b>          | Human, Mouse, Rat                                                                                                     |
| <b>Conjugation</b>         | PerCP/Cy7                                                                                                             |
| <b>Tested Applications</b> | ICC, IF                                                                                                               |
| <b>Immunogen</b>           | KLH conjugated Synthesised phosphopeptide derived from human PAK1 around the phosphorylation site of Ser144 YM(p-S)FT |
| <b>Target</b>              | PAK1                                                                                                                  |
| <b>Preservatives</b>       | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                |
| <b>Concentration</b>       | 1mg/ml                                                                                                                |
| <b>Storage</b>             | Shipped at 4°C. Store at -20°C for one year. Avoid repeated freeze/thaw cycles.                                       |
| <b>Note</b>                | For research use only                                                                                                 |
| <b>Isotype</b>             | IgG                                                                                                                   |
| <b>Clonality</b>           | Polyclonal                                                                                                            |
| <b>Dilution Range</b>      | ICC/IF=1:25, IF=1:100-500                                                                                             |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                                                       |
