

## Product Datasheet

### Anti-Nucleoside phosphorylase/PNP Antibody (orb2615444)

|                            |                                                                                                                                                                                                                                                          |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Anti-Nucleoside phosphorylase/PNP Antibody                                                                                                                                                                                                               |
| <b>Species/Host</b>        | Rabbit                                                                                                                                                                                                                                                   |
| <b>Reactivity</b>          | Human, Mouse, Rat                                                                                                                                                                                                                                        |
| <b>Conjugation</b>         | iFluor647                                                                                                                                                                                                                                                |
| <b>Tested Applications</b> | FC, IHC, WB                                                                                                                                                                                                                                              |
| <b>Immunogen</b>           | A synthetic peptide corresponding to a sequence in the middle region of human PNP, different from the related mouse sequence by six amino acids, and from the related rat sequence by five amino acids.                                                  |
| <b>Form/Appearance</b>     | Lyophilized                                                                                                                                                                                                                                              |
| <b>Concentration</b>       | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                |
| <b>Storage</b>             | Store at -20°C for one year from date of receipt. After reconstitution, at 4°C for one month. It can also be aliquotted and stored frozen at -20°C for six months. Avoid repeated freeze-thaw cycles.                                                    |
| <b>Note</b>                | For research use only                                                                                                                                                                                                                                    |
| <b>Application notes</b>   | Western blot, 0.1-0.5µg/ml, Human, Rat Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml, Human, Mouse, Rat Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells, Human. Add 0.2ml of distilled water will yield a concentration of 500ug/ml |
| <b>Isotype</b>             | Rabbit IgG                                                                                                                                                                                                                                               |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                                                                               |
| <b>MW</b>                  | 32 kDa                                                                                                                                                                                                                                                   |
