### RPL39 Antibody (orb2627196)

|                            |                                                                                                                                         |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Synthesized peptide derived from internal of human RPL39.                                                                               |
| <b>Species/Host</b>        | Rabbit                                                                                                                                  |
| <b>Reactivity</b>          | Human, Mouse, Rat                                                                                                                       |
| <b>Conjugation</b>         | Unconjugated                                                                                                                            |
| <b>Tested Applications</b> | IF, WB                                                                                                                                  |
| <b>Immunogen</b>           | Synthesized peptide derived from internal of human RPL39.                                                                               |
| <b>Target</b>              | RPL39                                                                                                                                   |
| <b>Preservatives</b>       | Purified antibody in PBS with 0.05% sodium azide.                                                                                       |
| <b>Concentration</b>       | Approximately 1mg/ml (varies from batch to batch). Please inquire for precise concentration.                                            |
| <b>Storage</b>             | Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles. |
| <b>Note</b>                | For research use only                                                                                                                   |
| <b>Isotype</b>             | Rabbit IgG                                                                                                                              |
| <b>Clonality</b>           | Polyclonal                                                                                                                              |
| <b>MW</b>                  | 6kDa                                                                                                                                    |
| <b>Uniprot ID</b>          | <b>P62891</b>                                                                                                                           |
| <b>Entrez</b>              | <b>6170</b>                                                                                                                             |
| <b>Dilution Range</b>      | WB: 1/500-1/3000; ICC: 1/100-1/500                                                                                                      |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                                                                         |
