

## Product Datasheet

### Steviolmonoside (orb2653335)

|                        |                                                                          |
|------------------------|--------------------------------------------------------------------------|
| <b>Description</b>     | Glucosilsteviol is a sophorose component of steviol replaced by glucose. |
| <b>Storage</b>         | Storage temperature: -20°C. Stability: ≥ 2 years                         |
| <b>Note</b>            | For research use only                                                    |
| <b>Formula</b>         | $C_{26}H_{40}O_8$                                                        |
| <b>Purity</b>          | > 98% (HPLC)                                                             |
| <b>MW</b>              | 480.6                                                                    |
| <b>CAS Number</b>      | 60129-60-4                                                               |
| <b>Expiration Date</b> | 12 months from date of receipt.                                          |
