### Raltegravir (potassium salt) (orb363870)

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | Raltegravir potassium salt(MK0518 potassium salt) is a potent integrase (IN) inhibitor, used to trea... |
| <b>Note</b>            | For research use only                                                                                   |
| <b>Formula</b>         | $C_{20}H_{20}FKN_6O_5$                                                                                  |
| <b>MW</b>              | 482.5137                                                                                                |
| <b>CAS Number</b>      | [871038-72-1]                                                                                           |
| <b>SMILES</b>          | <chem>O=C(C(N=C(C(NC(C1=NN=C(C)O1)=O)(C)C)N2C)=C([O-])C2=O)NCC3=CC=C(F)C=C3.[K+]</chem>                 |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                         |
