

## Product Datasheet

### Salidroside (orb422167)

|                        |                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | Salidroside, a phenylpropanoid glycoside isolated from <i>Rhodiola rosea</i> , has been reported to have a b... |
| <b>Note</b>            | For research use only                                                                                           |
| <b>Formula</b>         | $C_{14}H_{20}O_7$                                                                                               |
| <b>MW</b>              | 300.3                                                                                                           |
| <b>CAS Number</b>      | [10338-51-9]                                                                                                    |
| <b>SMILES</b>          | <chem>O[C@H]([C@H]([C@@H]([C@H](CO)O)O)O)[C@@H]1OCCC2=CC=C(O)C=C2</chem>                                        |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                                 |
