

## Product Datasheet

### GNE-131 (orb525604)

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | GNE-131 is a novel Nav1.7 inhibitor with IC50 0.003uM,improving metabolic stability,efficacy in mous... |
| <b>Note</b>            | For research use only                                                                                   |
| <b>Formula</b>         | $C_{23}H_{30}N_4O_3S$                                                                                   |
| <b>MW</b>              | 442.5743041                                                                                             |
| <b>CAS Number</b>      | [1629063-81-5]                                                                                          |
| <b>SMILES</b>          | <chem>C1(S(NC2N3C(=NN=2)C=C(OCC24CC5CC(CC(C5)C2)C4)C(C2CC2)=C3)(=O)=O)CC1</chem>                        |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                         |
