# E3 Ligase Ligand-Linker Conjugates 25 Trifluoroacetate (orb572898)

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | E3 Ligase Ligand-Linker Conjugates 25 Trifluoroacetate is a synthesized compound that incorporates a... |
| <b>Note</b>            | For research use only                                                                                   |
| <b>Formula</b>         | $C_{23}H_{27}F_3N_4O_8$                                                                                 |
| <b>MW</b>              | 544.48                                                                                                  |
| <b>CAS Number</b>      | [1950635-14-9]                                                                                          |
| <b>SMILES</b>          | <chem>O=C(NCCCCCN)COC1=CC=CC(C(N2C(CC3)C(NC3=O)=O)=O)=C1C2=O.O=C(O)C(F)(F)F</chem>                      |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                         |
