

## Product Datasheet

### H-Ile-Pro-Pro-OH (orb573295)

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | H-Ile-Pro-Pro-OH, a milk-derived peptide, inhibits angiotensin-converting enzyme (ACE) with an IC50 ... |
| <b>Note</b>            | For research use only                                                                                   |
| <b>Formula</b>         | $C_{16}H_{27}N_3O_4$                                                                                    |
| <b>MW</b>              | 325.4                                                                                                   |
| <b>CAS Number</b>      | [26001-32-1]                                                                                            |
| <b>SMILES</b>          | <chem>CC[C@H](C)[C@@H](C(=O)N1CCC[C@H]1C(=O)N2CCC[C@H]2C(=O)O)N</chem>                                  |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                         |
