

## Product Datasheet

### Delafloxacin meglumine (orb573316)

|                        |                                                                                                                          |
|------------------------|--------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | Delafloxacin meglumine (ABT492 meglumine; RX-3341 meglumine; WQ-3034 meglumine) is a broad-spectrum ...                  |
| <b>Note</b>            | For research use only                                                                                                    |
| <b>Formula</b>         | $C_{25}H_{29}ClF_3N_5O_9$                                                                                                |
| <b>MW</b>              | 635.97                                                                                                                   |
| <b>CAS Number</b>      | [352458-37-8]                                                                                                            |
| <b>SMILES</b>          | <chem>CNC[C@@H]([C@H]([C@@H]([C@@H](CO)O)O)O)O.FC1=CC(F)=C(N2C=C(C(=O)O)C(=O)C3=CC(=C(C(Cl)=C23)N2CC(O)C2)F)N=C1N</chem> |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                                          |
