

## Product Datasheet

### 3,4-Dimethoxycinnamic acid (orb573320)

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | 3,4-Dimethoxycinnamic acid (O-Methylferulic acid) is a monomer extracted and purified from Securidac... |
| <b>Note</b>            | For research use only                                                                                   |
| <b>Formula</b>         | $C_{11}H_{12}O_4$                                                                                       |
| <b>MW</b>              | 208.21058                                                                                               |
| <b>CAS Number</b>      | [2316-26-9]                                                                                             |
| <b>SMILES</b>          | <chem>O=C(O)/C=C/C1=CC=C(OC)C(OC)=C1</chem>                                                             |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                         |
