

Product Datasheet

Sulfadimethoxine-BSA conjugate (orb624093)

Description	Sulfadimethoxine-BSA conjugate
Tested Applications	ELISA, GICA, ICA
Preservatives	0.01mol/L, pH 7.4 PBS
Form/Appearance	Dry powder
Storage	Short-term store at 4°C, Long-term store at -20°C. Avoid repeated freeze.
Note	For research use only
Application notes	Food Safety Small Molecule Antigen
Source	Ovalbumin (OVA)
CAS Number	122-11-2
Hazard Information	For research use only
Expiration Date	12 months from date of receipt.
