

## Product Datasheet

### GOAT ANTI MOUSE IgM:RPE (orb748939)

|                            |                                                           |
|----------------------------|-----------------------------------------------------------|
| <b>Description</b>         | Goat polyclonal antibody against IgM conjugated to RPE    |
| <b>Species/Host</b>        | Goat                                                      |
| <b>Reactivity</b>          | Mouse                                                     |
| <b>Conjugation</b>         | RPE                                                       |
| <b>Tested Applications</b> | FC                                                        |
| <b>Immunogen</b>           | Mouse IgM paraproteins                                    |
| <b>Target</b>              | IgM                                                       |
| <b>Preservatives</b>       | Purified Ig conjugated to R. Phycoerythrin (RPE) - liquid |
| <b>Form/Appearance</b>     | Purified Ig conjugated to R. Phycoerythrin (RPE) - liquid |
| <b>Concentration</b>       | Ig concentration 0.5 mg/ml                                |
| <b>Storage</b>             | +4°C DO NOT FREEZE                                        |
| <b>Note</b>                | For research use only                                     |
| <b>Isotype</b>             | Polyclonal IgG                                            |
| <b>Clonality</b>           | Polyclonal                                                |
| <b>Uniprot ID</b>          | <b>P01873, P01872</b>                                     |
| <b>Expiration Date</b>     | 12 months from date of receipt.                           |
