

## Product Datasheet

### GABA A Receptor gamma2 antibody (orb763804)

|                            |                                                                                                                                         |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Rabbit polyclonal antibody to GABA A Receptor gamma2                                                                                    |
| <b>Species/Host</b>        | Rabbit                                                                                                                                  |
| <b>Reactivity</b>          | Human, Mouse, Rat                                                                                                                       |
| <b>Conjugation</b>         | Unconjugated                                                                                                                            |
| <b>Tested Applications</b> | IHC, WB                                                                                                                                 |
| <b>Immunogen</b>           | Synthetic Peptide                                                                                                                       |
| <b>Preservatives</b>       | PBS with 0.02% sodium azide and 50% glycerol pH 7.4.                                                                                    |
| <b>Concentration</b>       | 1mg/ml                                                                                                                                  |
| <b>Storage</b>             | Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles. |
| <b>Note</b>                | For research use only                                                                                                                   |
| <b>Isotype</b>             | IgG                                                                                                                                     |
| <b>Clonality</b>           | Polyclonal                                                                                                                              |
| <b>MW</b>                  | 55kDa                                                                                                                                   |
| <b>Uniprot ID</b>          | <b>P18507</b>                                                                                                                           |
| <b>Dilution Range</b>      | WB 1:1,000-2,000 IHC 1:100-200                                                                                                          |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                                                                         |
